

Sunday School—  
wonderful things are  
happening... sometimes.  
Can we make Sunday  
School a place where  
more people and  
more churches are  
transformed?

THE UNITED METHODIST CHURCH

## Sunday School Is Making Disciples for Life

Sunday School will show its promise with just a little more attention. Participating in Sunday School can touch the lives of all your members, very young to very old.

## How Can Sunday School Transform People and Churches?

- growing leaders for the church's mission
- increasing people's sense of belonging and commitment to stewardship
- creating a place for new people to make friends and learn to grow as disciples
- deepening people's understanding of God's activity in all of life

## Join Us Now on This Journey

We are hoping and praying that leaders in conferences, districts, and local churches will join Cokesbury, the General Board of Discipleship, and other leaders already engaged in this effort to renew the life-changing power of Sunday School. See below for details about the ways we can help you.
